Our curriculum fosters every child's imagination and love for dance at any age! In a Little Leapers class, students learn fun stretches and all of their proper dance terms while fantasizing, creating, and acting out stories. Our younger students will also be read a treasured fairy tale at the end of class, then will act out the story through dance and movement. Your child will also learn how dance is a way to communicate without using words.

PLEASE NOTE: THE DAY & TIME OF THIS CLASS IS TBA but will run in the Fall from August 26 - December 7 during your after-school program.

TUITION IS \$45/MO,
